Embracing New Beginning **Celebrating Makar Sankranti & Moving Forward Together**

Dear Brothers & Sisters,

As we welcome the auspicious occasion of Makar Sankranti, it is a moment of joy and new beginnings for all of us at Bank of Maharashtra as well as Bank Of Maharashtra Officers' Organisation (BOMOO). This festival, marking the Sun's transit into Capricorn, symbolizes the triumph of light over darkness, knowledge over ignorance, and progress over stagnation. It is a time for us to focus on our journey, celebrate our achievements, and look towards a future filled with hope and promise.

Makar Sankranti is not just a celebration of seasonal change but also a metaphor for personal and professional growth. As we gather to fly kites, a tradition synonymous with this festival, let us remember that like the kites soaring high in the sky, we too have the potential to reach new heights in our endeavors.

This year's celebration is even more special as it coincides with the 47th Foundation Day of our esteemed organisation. Looking back at our journey since 21st December 1977, we have come a long way, guided by our principles of constructive cooperation, a nationalistic approach, and unwavering commitment to the welfare of our officers.

We take immense pride in our '**SMART Officer Book**' a **treasure trove of knowledge and guidance for officers** preparing for Written exams and interviews. This resource is a testament to our dedication to continuous learning and professional development, resonating with the spirit of Makar Sankranti.

As many of our officers gear up for the Interscale Promotion Exam, we extend our **Best wishes for their success.** Your progress is a reflection of our collective strength and our aspiration for excellence.

Our '**SNEHABANDHAN**' Scheme, **which fosters unity and mutual support**, echoes the essence of Makar Sankranti, a festival that brings people together in a spirit

of joy and togetherness. This scheme strengthens the bonds within our BOMOO family, reinforcing our commitment for well-being and a helping hand to families.

As we step into this new year, let's renew our dedication to the growth of our MAHABANK. Embracing digital advancements, focusing on business growth, and contributing to our Mahabank's success is our collective responsibility. Equally important is maintaining a healthy work-life balance, ensuring our personal well-being aligning with our professional endeavors.

As we celebrate Makar Sankranti, let its spirit inspire us to aim higher, work smarter, and support each other in our journey towards a bright future. **Together, we can turn challenges into opportunities and continue to make our organisation a beacon of excellence and innovation.**

Wishing you all and your family members a very Happy New Year and Makar Sankranti filled with joy, prosperity, and success.

With Warm Regards,
